Ambassador of the Islamic Republic of Iran to Moscow has paid a three-day visit to Novosibirsk Oblast, Russia's largest transport and logistics hub and scientific center.

During this trip, Kazem Jalali met and held talks with Andrey Travnikov, the Governor of Novosibirsk Oblast as well as managers of industrial companies in this region.

In their meeting, the officials of Novosibirsk announced their readiness to strengthen scientific, cultural, economic, and technological cooperation with Iran.

Jalali and Travnikov formed a joint working group between Novosibirsk Oblast and the Embassy of the Islamic Republic of Iran so as to develop cooperation in the fields of science, technology, culture, economy, and trade.

The Iranian envoy to Moscow also met with economic activists and businessmen in Novosibirsk.

The Russian businessmen expressed their interest to establish and expand relations with the Iranian side.
